MINI ROLLERS™ (3 – 4 yrs): This class is designed to help the first time drop-off student feel safe and comfortable. Strength, flexibility and agility are increased as the children are introduced to new gymnastics skills through warm-up and obstacle courses.

MINI KID FIT (3 – 5 yrs): Kids in this class will be on the move! Obstacle courses, games, basic ball skills, jumping, running and balancing are just some of the physical challenges children will be exposed to in this class. Social skills of kindness, teamwork and cooperation are encouraged.

MINI GYM ROMPERS (3 – 5 yrs): This 90 minute class allows for us to dive deeper into each week's preschool related theme through creative movement, games, gymnastics obstacles, prop exploration, story time and yoga. We will continuously switch activities in a structured style and intersperse quiet times as well. Expose your child to the benefits that physical activity has on to early child development and learning. Prepare your child for school as they listen and follow directions, sequence, problem solve, build confidence and gain independence. Sign your child up for class and see them GROW!

SHORT WHEELERS™ (4 – 5 yrs): An introduction to basic gymnastics that engages the preschooler through imagination, props and being silly. A comprehensive warm-up is followed by circuits and stations around the gym.
