Firecrackers

This class is for students that have shown great physical potential and enthusiasm during our Intro and Gym 1 classes. The goal of the class is to fast-track students to our Gym 2 program, with the long term goal of continuing through our Gym 3 and Pre-Team classes. We *strongly recommend* that Firecrackers be taken in addition to a standard Intro or Gym 1 class.

Hot Shots

This is a supplementary class designed for students currently excelling in our Gym 2 and Gym 3 classes. Students must demonstrate focus, a solid foundation of strength and an enthusiasm for learning new skills. The skills focused on in the class will be those required for entry into our Pre-Team program.
