

ATTENTION PARENTS! END OF SESSION OBSERVATIONS UPCOMING!

Before we go on our winter break, we invite you to come watch your gymnasts show off some of the skills they have been working during the Fall term! Observations take place during their regular class time. Also, remember to make sure they are re-enrolled for the Spring session so they can continue progressing their skills!

ALL CLASSES AT MINI IN MOVEMENT (Percy St. Location in Bella Vista) will take place during their regular class the week of Dec 9th-14th, and will start 30 minutes after class begins.
