

VACCINATION AND MASKING

PROTOCOL

What we are doing to keep InMovement Safe for you and your kiddos!

All InMovement staff are fully vaccinated against the COVID-19 Virus.

For Classes:

-All 5 yr olds and up must be fully vaccinated before Sept 6th, 2022.

-Students 10 months to 4 yr olds must have received the first dose by Sept -6th, 2022.

-2 to 4 yr olds who have not yet received their 2nd dose must wear a mask until 2 weeks after they receive their 2nd dose.

-All 10 months to 4 yr olds must be fully vaccinated by Oct 20th, 2022.

For Open Play:

-All 5 yr olds and up must be fully vaccinated.

-All 2 to 4 yr olds are not required to be vaccinated, but must wear a mask at all times when in the gym.

-Under the age of 2 no mask or vaccination required, but we ask that if the baby was recently exposed or showing any symptoms please do not attend.

HAND WASHING AND SANITIZER:

We will check to make sure hands are washed after bathroom use. Hand sanitizer is placed throughout the facility and is used with the children and the staff very, very often!

SOCIAL DISTANCING:

Our facility, curriculum and flow have been arranged to allow for social distancing. Teachers will refrain from direct contact with students as much as possible.

CLEANING AND DISINFECTING:

The facility will be cleaned everyday following classes.

All surfaces and mats used will be cleaned and sanitized with FDA- approved products that kill COVID-19.

Teachers will be cleaning and sanitizing high-touch surfaces.

VENTILATION:

HEPA filters are installed in the HVAC system. Windows will be open, when possible, and fans will be used to increase airflow throughout our facility.

LIMITING NUMBERS :

We are not allowing parents inside the facility to limit the number of people inside. Our class numbers remain smaller and teachers are placed with a consistent group of students to limit exposure.

CONSTANT COMMUNICATION:

Help us keep InMovement safe and COVID free by complying with these guidelines. If you have questions, contact us at info@phillyinmovement.com.

CHECK YOUR CHILD FOR THESE SYMPTOMS

COVID-19

AT HOME SCREENING

In children, the signs/symptoms of COVID-19 are often mild, and may not be possible to distinguish COVID-19 from other illnesses. The Philadelphia Department of Public Health recommends that any child with COVID-19 symptoms should not return to gym until they have taken a COVID-19 test or completed an isolation period of at least 6 days from symptom onset.

In general, we ask that a child should be fever free for at least 24 hours without fever reducing medications along with symptom improvement.

SYMPTOM CATEGORY A

Chills/Shivers

Fatigue

Diarrhea

Headache

Sore Throat

Runny
Nose/Congestion

Nausea/Vomiting

Shortness of Breath/
Difficulty Breathing

Muscle aches/pains

If your child has ***two or more*** symptoms from Category A, ***please keep your child at home*** and have them tested for COVID-19.

If your child has ***at least one*** symptom from Category B, ***please keep your child at home*** and have them tested for COVID-19.

SYMPTOM CATEGORY B

Fever (100.4 or higher)

New and Persistent Cough

New Loss of Taste

New Loss of Smell

If your child has ANY CATEGORY B symptoms please contact us at info@phillyinmovement.com and contact your physician!

*For students with chronic illness, only new symptoms or symptoms worse than baseline, should be used to follow this criteria.

STUDENTS WHO ARE SICK OR CONTAGIOUS IN GENERAL SHOULD NOT ATTEND CLASS.

QUARANTINE AND TESTING PROCEDURE:

Please, help us keep InMovement safe by communicating any positive cases to info@phillyinmovement.com quarantining and getting tested!

IF YOUR CHILD EXPOSED ...

- Contact us at info@phillyinmovement.com immediately and we will give you a testing timeline.
- Your child may continue to participate at InMovement as long as no symptoms develop and they remain negative.
- Continue to be vigilant for symptoms and mask up for 10 days following the exposure.
- InMovement asks that you test 5 days after the exposure. Additional testing may be required depending on how frequently your child attends InMovement classes.

IF YOUR CHILD TESTS POSITIVE ...

- You must email info@phillyinmovement.com immediately, we will provide you with a return plan for your child.
- IF ASYMPTOMATIC, the student may return after 6 days of isolation, continue to be vigilant for new symptoms and masking up for a total of 10 days following the positive test result.
- Please keep an eye on any possible symptoms that may arise during or after the 6 days of isolation, you may need to contact your doctor if this happens.
- If your child does have symptoms they may return after the 6 days only if the student is fever-free for 24 hours (without the use of fever-reducing medication) and the symptoms are improving.
- If they contact an extreme case of COVID-19 or have a weakened immune system they should isolate for 10 days. Please keep us posted as to how your child is feeling and recovering.

Please note: In all cases, day of positive test is day 0.

**STUDENTS WHO ARE SICK OR CONTAGIOUS IN
GENERAL SHOULD NOT ATTEND CLASS.**
